

Amanda Nesheiwat,
Hudson County Improvement Authority
CEO-Envision Green, LLC

Amanda is the Director of Sustainability, Hudson County Improvement Authority

- Develops innovative programs
- Secures funding
- Builds strategic partnerships

United Nations Representative

- Government agencies
- International NGOs

Amanda's work spans government, international NGOs, and local organizations. Her efforts in advancing sustainability have created opportunities for projects such as recycling and community solar. Amanda was one of the first sustainability professionals in government in New Jersey, pioneering her role and demonstrating that sustainability is achievable through public-private partnerships.

**SUSTAINABILITY
LEADERSHIP.
GLOBAL ADVOCACY.
COMMUNITY
EMPOWERMENT.**
